## 2020 ACT Adult Community Education (ACE) Grants Program

**Are projects delivered by an eligible ACE provider in partnership with an organisation that is not an eligible ACE provider able to apply for a joint project?**

No, all project partners for a joint project must be eligible ACE providers (refer to *Section 4: Eligibility Criteria* in the 2020 ACT ACE Grants Program Guidelines).

An eligible ACE provider may deliver an individual project in partnership with an organisation that is not an eligible ACE provider. Details of any relevant partnerships, relationships or networks should be detailed in the application for the ACT ACE Grants Program.

**What time do applications close?**

Applications for the 2020 ACT ACE Grants Program close at 5pm on 28 February 2020.

**Are any targeted cohorts weighted/preferred more highly than others?**

No, projects may support any of the targeted cohorts listed in the Program Guidelines.

**Is an organisation that is currently delivering an ACE project under the 2019 ACT ACE Grants Program eligible to apply again in 2020?**

Yes, providing the application proposes new initiatives, and does not seek funds to support the applicant's existing services (unless the applicant can demonstrate additional outcomes, and is not duplicative of ongoing projects/initiatives).

The past performance of the applicant organisation/s as an ACE Provider (where relevant) will be considered as part of the evaluation process.

**How many Foundation Skills Training Package units of competency should an ACE course address?**

ACE courses may deliver or align with any number of Foundation Skills Training Package units of competency, depending on the nature of the course.

**If a not-for-profit organisation is not an ACT registered business but has an ABN and a physical presence in the ACT, are they still eligible to apply?**

An organisation is eligible to apply for the ACT ACE Grants Program if they meet the eligibility criteria, regardless of which state/territory the business is registered in.
