

FUTURE SKILLS FOR FUTURE JOBS GRANTS PROGRAM

Funding is available for innovative projects that will equip Canberrans with the right skills for future industry workforce needs, through the new Future Skills for Future Jobs Grants Program.

The Future Skills for Future Jobs Grants Program provides funding for innovative projects that promote market diversification and aim to increase the number of commencements across pre-apprenticeships, pre-traineeships, Australian Apprenticeships, and higher apprenticeships, or other employment related training in the ACT.

Organisations are encouraged to submit an expression of interest for projects that can be co-developed with ACT Government and local industry.

More information about the grants program and how to apply is available at www.skills.act.gov.au/grants.
